HOW IT WORKS

1

Tell us about you

One simple form. No call needed to start.

2

Agents get to work

Posts, pages, blogs and ads, by your team.

3

We check every piece

Facts checked, then signed off by a service consultant.

4

You tap approve

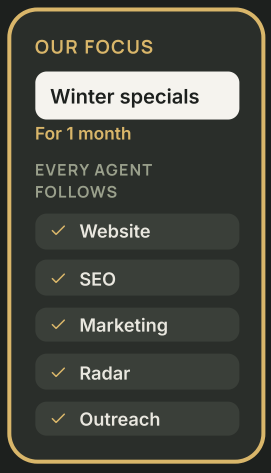

Yes, change or no, from your phone.

OUR FOCUS TAB

You steer every agent

Type what to put first, like a season, a service or a type of customer. All your agents lead with it together, then go back to your plan.

1 week | 2 weeks | 1 month | Until I change it

Your yes first

Nothing goes live without it.

Yours to keep

Accounts and domain stay in your name.

No passwords

You never share one with us.

Never clocks off

Weekends, holidays and your leave.

Your price is fixed for your first 12 months. Monthly report, technical fixes and local listings included. SEO pages means pages improved each month. Link building is approaches to relevant websites; we never buy links or promise rankings. Extra work R650 an hour, quoted first. Add-on prices are per month, with Foundation, unless shown as on its own. No VAT charged. Outreach setup is R500 more on its own. Ad spend is paid to Google (at least R3,000 per month suggested). We never promise a number of customers. Unused amounts don't roll over. 3-month minimum, then one calendar month's notice. Paid monthly by card.
